

Positioned to support change at pace

Who are Cogel?

Cogel are a European based "Boutique" Coaching Company which supports Senior Executives and their teams through periods of growth, challenge and opportunity.

Cogel delivers its coaching programs, through a limited number of highly qualified coaches, all of whom have managed and delivered at the highest levels across the globe. Cogel provides a unique combination of local insight, understanding, experience and support to our clients.

"Cogel was one of the best business engagements we ever had, super impressed, I'm always looking for new opportunities to work with them".

Jonathan Turrell – President Criterion Pictures, NY

What is Executive Coaching?

Executive Coaching has the potential to unlock someone's potential to maximise their performance.

It closes the gap between their potential and current state. In a sense, executive coaching helps someone to create a better version of themselves.
